Dear Sal,

The Women's Chamber of Commerce of Nevada® would like to take this opportunity to say thank you for taking the time to come to Las Vegas to be our Keynote Speaker for our Business Alliance Network Meeting in March. Your presentation to our women's group on Defending Yourself Against Stalkers and Con men was very educational as well as making all of us aware of what and who is around us, and how to protect ourselves in the future.

Our organization especial liked the discussion about stalking in today's hi-tech world; how to identify, document and respond to it. We also like knowing about identifying stalking, developing a case for prosecution, and someone to listen to us.

We live in a society where we need to learn as much as possible on how to protect ourselves, so I do hope you will come back and speak to our women's organization again so we can learn even more on how to protect ourselves, our families and our business.

Sincerely,
June L. Beland
President and CEO
